Rich,

I'll make these calls now.

Very respectfully,

as you see we are approved to get started. I will print these latest documents and drive up to the hotel. Will see you at about 3pm.

Please start making phone calls to the following people first...since they may have arsenic contamination in their wells.

Bob, did you have other names that we want to get to asap? Let me know...otherwise we will work down the list after those listed above.

Rich

Rich, here's the final fact Sheet for printing and copying. Feel free to start the door-to-door survey once you drive over to Dimock.

Note that the Qs/As are not yet final but if you need to get on the road we can send them to you electronically. They are not to be handed out anyway, so they could just be distributed to your team of OSCs and CICs for their reading/understanding of messages before they knock on any doors. Any questions, call myself or Helen. Thanks and good luck, den.
